INDEPENDENT AUDITOR'S REPORT ON REVIEW OF CONDENSED INTERIM FINANCIAL STATEMENTS

Introduction

We have reviewed the accompanying condensed interim statement of financial position of Pashtany Bank ("the Bank") as at 31 Jawza 1404 (June 21, 2025) and the related condensed interim statement of profit or loss and other comprehensive income, condensed interim statement of changes in equity and condensed interim statement of cash flows, and the notes to the condensed interim financial statements for the six months then ended (here-in-after referred to as the "interim financial statements"). Management is responsible for the preparation and fair presentation of these interim financial statements in accordance with the International Accounting Standard (IAS) 34, Interim Financial Reporting, issued by the International Accounting Standards Board (IASB), the requirements of the Law of Banking in Afghanistan and directives issued by Da Afghanistan Bank. Our responsibility is to express a conclusion on these interim financial statements based on our review.

Scope of Review

We conducted our review in accordance with International Standard on Review Engagements (ISRE) 2410, "Review of Interim Financial Information Performed by the Independent Auditor of the Entity." A review of interim financial statements consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with International Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

Conclusion

Based on our review nothing has come to our attention that causes us to believe that the accompanying interim financial statements do not give a true and fair view of the financial position of the Bank as at 31 Jawza 1404 (June 21, 2025)and of its financial performance and its cash flows for the six months period then ended in accordance International Accounting Standard (IAS) 34, Interim Financial Reporting, issued by the International Accounting Standards Board (IASB) and the requirements of the Law of Banking in Afghanistan and directives issued by the Da Afghanistan Bank.

Emphasis of Matters

We draw attention to note 6.1 of the financial statements which discloses that an income earning deposit held with Citibank UAE is subject to no debit restriction. Our opinion is not modified in this regard.

The annexed notes from 1 to 23 form an integral part of the condensed interim financial information.

Chief Executive Officer

1. STATUS AND NATURE OF OPERATIONS

Pashtany Bank ("the Bank") got registered with Afghanistan Investment Support Agency (AISA) on 26 June 2004 as a limited liability company and received formal commercial bank license from Da Afghanistan Bank (DAB) to operate nationwide at the same date. The principal business place of the Bank is at Muhammad Jan Khan Watt, Kabul, Afghanistan with 26 branches and 11 counter (2024: 26 branches and 9 counter) nationwide.

1.2 Financial sector of Afghanistan has been deeply impacted by the economic fallout resulting from actions taken by the United States, International Monetary Fund (IMF), the World Bank and western countries post takeover of Afghanistan by the Islamic Emirate of Afghanistan on August 15, 2021. These actions included freezing of the foreign reserves of USD 9 billion by the US Treasury's Office of Foreign Assets Control (OFAC), suspending access to Special Drawing Rights (SDRS) and additional funding of USD 370 million by IMF, and halting of aid by the World Bank and Germany – the biggest donor. Economy of Afghanistan has been heavily reliant on foreign aid whereby foreign aid constituted around 42% of GDP and three-quarter of the budget. Lack of access to foreign exchange can lead to balance of payment crisis since Afghanistan also runs a large trade deficit constituting around 28% of GDP or economy might significantly contract in response to severe lack of foreign exchange.

The Central Bank of Afghanistan (DAB) imposed strict limits on the cash withdrawals. DAB further moved to reduce the cash reserve requirements for the banks by bringing down cash reserve requirements from 12% on local currency deposits to 8% and from 14% to 10% on foreign currency deposits. DAB also imposed restrictions on international transactions to stem the capital outflows.

Interest income on capital notes and overnight deposits constituted major sources of income for the Bank and currently, DAB has suspended interest on capital notes and overnight deposits pending further decision by the Cabinet. Management is closely monitoring the situation and has implemented the plans to mitigate the risks emanating from current situation. These include:

- Cost cutting measures have been taken including all major contracts with vendors have been renegotiated for significant reduction which include leases.
- The Bank continues to enhance its commission income on custom duties collection and electricity bills collection.
- The Bank is providing cash withdrawal facility, through its ATMs based on interoperability of AfPay, to customers of other banks.
- Western Union continue to provide services in Afghanistan, and international money transfer services are also provided by the Bank through Western Union.
- The Bank currently holds sufficient liquid assets to make payments against deposit withdrawals.

Measures taken by the Central Bank including strict limits on cash withdrawals, reducing reserve requirements provide essential support for sustainability. Based on above, the condensed interim financial information have been prepared on a going concern basis.

DHY.

Note 1.2 (Contd...)

On December 31, 2021, DAB provided an exemption to all banks from the implementation of "Asset Classification and Provisioning Regulations" (ACPR), this relazation was initially exempted until February 28, 2023 (circular ref. No.3101/3391), this was further extended to April 2, 2024 (circular ref. No. 12398/12922) and subsequently to October 2, 2024 (letter no. 11227). Hence, impairment loss on loans and advances of the Bank has been calculated on the basis of their status as of 30 June 2021 and no further provision has been made againts those loans and advances which subsequently did not perform well due to the current situation of the country.

Therefore, these relaxations have significant impact on the Bank's financial results. These measures from DAB, has helped the bank in avoiding excessive provisioning and protected its capital base in a very unusual situation.

2. ACCOUNTING POLICIES

2.1 Basis of preparation

The condensed interim financial information of the Bank for the six months period ended June 21, 2025 have been prepared in accordance with the requirements of the International Accounting Standard 34 -" Interim Financial Reporting", the Law of Banking in Afghanistan, and other laws and regulations issued by Da Afghanistan Bank (DAB). In case where requirements differ, the requirement of the Law of Banking in Afghanistan, and other laws and regulations issued by DAB take precedence.

The disclosures made in this condensed interim financial information have been limited based on the format prescribed by the International Accounting Standard (IAS) 34, 'Interim Financial Reporting' and do not include all the material accounting policies information (priorly: Significant accounting policies) required in the annual financial information. Accordingly, the condensed interim financial information should be read in conjunction with the annual financial information of the Bank for the year ended December 19, 2024.

Comparative statement of financial position is extracted from the annual financial statements as at December 19, 2024 whereas comparative statement of comprehensive income, statement of changes in equity and statement of cash flows have been taken from un-audited condensed interim financial information for the six months period ended June 21, 2025.

3. MATERIAL ACCOUNTING POLICIES INFROMATIONS

- 3.1 The material accounting policies informations adopted in preparation of the condensed interim financial information are consistent with those followed in the preparation of the annual financial statements of the Bank for the year ended December 19, 2024.
- 3.2 The estimates / judgments assumptions used in the preparation of this condensed interim financial information are consistent with those applied in the preparation of the annual financial statements of the Bank for the year ended December 19, 2024.
- 3.3 The financial risk management policies and procedures are the same as those disclosed in annual financial statements of the Bank for the year ended December 19, 2024.
